Paul Rardin Editor and Publisher

The American Red Cross is asking for funds with which to continue its good works. It shouldn't take an editorial to works. It shouldn't take an editorial to awaken anyone to the worthiness of the American. Red Cross, it doesn't need our words of praise for your unanimous approv-al of its benefits. It shouldn't need print-er's ink to put down in black tind white what keeps'-the Red Cross-rable to pour-tike blessings on the sick and dying, hungry and foreiorn, homeless and destitute. What it is doing for our fighting boys today it did yesterday and will do so tomorrow and to-morrow and tomorrow—IP you will help by morrow and tomorrow—IP you will help by for so little in comparison to the naive sea good they create. Your dollars become food for starving children and milk for a motherless babe, a sweater for a whilled oil

good they create. Your dollars become food for starving children and milk for a motherless babe, a sweater for a whilled old man and a shawl for an agred woman, blood for a weak marine and a bandage for the wounds of a schlier, a robe for a convalence of the start of the start

A Statement Of Facts!

One Miami Hospital recently issued a report that during the week just passed the hospital cared for an average of 488 patients during each day of the week. Each day, there was an average of 6 births, tect. Each day, there was an average of 6 births, 3 denths, 16 operations and 54 emergencies. The balance of patients were hospitalized for other causes. This is the report for just one week from onle hospital in one community in Florida. However, it gives us an idea of the tremendous number of resorts who are heint hospitalized all gains Florida. people who are being hospitalized all over Florida each day. Every Person needs hospitalization insur-ance and I am prepared to furnish it at a nominal cost. Write today for full information.

"I can't think of anything else you'll need for your Victory garden, Judge ... you've got pretty nearly everything."

"I think so, too, John. Ever get your asparagus partly everything."

"I gave that up last year, Judge. Tried it six years in a row with no luck. Just havn't got the right soil, I guess?"

"Well, I think you're wise, John. "soo-use keeping on trying things you know won't work, Just like prohibition. State-wide prohibition has been tried in this country

seventy-two times in the last ninety years. It has been adopted forty-seven times in the past thirty-three years and discarded everywhere except in three states. Same thing was tried in eight provinces in Canada and in Norway, Sweden, Finland and Russia but it was an admitted failure and universally abandoned.

"The reason is prohibition does not prohibit. All you get is bootleg liquor instead of legal liquor, plus no end of crime and corruption."
